KCH Garden Square announces a new Head of Chambers

KCH Garden Square is pleased to announce Jeremy Janes as the new Head of Chambers and he begins his term with immediate effect.

Everyone in Chambers would like to express their considerable thanks to outgoing Head of Chambers Jonathon Dee for his leadership and hard work during his tenure, not least managing the growth and success of Chambers throughout the Covid-19 pandemic.

Jeremy said: *“Having been a member of Chambers for the last 28 years, I am delighted and proud to be appointed as its next Head. I would like to thank Jon Dee for his dedication and hard-work as my predecessor. Chambers has continued to grow in strength and numbers under his leadership and I look forward to leading us through the next period. I am excited by the opportunities to enhance Chambers’ reputation as a premier set in the East Midlands and to showcase the quality of service our members and staff offer“.*
