

# John Pearce Quiz 2022

Triumphantly back at the Southbank Bar, the John Pearce Quiz commenced on Tuesday 1<sup>st</sup> March 2022.

Last year, the quiz was held online due to the pandemic, this year we were back to an in-person event, with the 2021 winners from Nottingham Law School, setting the questions.

Led by Mark Chadwick, the NTU Law School team 'The Academy' put forward 10 rounds of questions, ranging from local knowledge, legal knowledge, general knowledge, sport, music, literature and the movies.

This year we had 33 teams ranging from 3-4 players per team all thinking hard on the questions posed!

NTU Law School 'The Academy' quiz masters also chose the nominated charity. This year the nominated charity was [Nottingham Arimathea Trust](#), a local charity that provides supported housing for Refugees and destitute Asylum Seekers.

Raffle prizes were kindly donated by Nottinghamshire Law Society, [Southbank Bar](#), [Cockett Farm Shooting Ground](#), [Paul Smith Designs](#) and [Weavers Wine Merchants](#).

Thank you to generosity of the team players we successfully exceeded any fund raising targets previously set by the quiz, by raising a staggering:

**£1250**

After 10 highly charged rounds of quizzing, testing wits, legal and trivia knowledge, the winning team was announced by Quiz Master Mark Chadwick.

2021 Champions, are finally presented with the trophy after the online competition.

John Pearce, established the Quiz over 25 years ago, and was there to present the award to the winning team.

The margins were close on the top 5 teams in the running for the prize but, taking the lead were the **Scrambled Eggheads** from [Nottinghamshire County Council](#).
